

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

UNITED STATES OF AMERICA,

Case No. 2:15-cr-00003-RFB-PAL

Plaintiff,

V.

GINO BRIAN CICOTTI,

ORDER

Defendant.

Before the Court is the Defendant Gino Brian Cicotti's request for an order for recommendation to the Residential Drug Abuse Program (RDAP). (ECF no. 52). The Court sentenced Gino Brian Cicotti (Herein after as "Mr. Cicotti") on December 14, 2017, to a term of sixty months custody with lifetime supervision with special conditions of supervision. The Court finds that, based upon representations made in Mr. Cicotti's motion that he has completed the Non-Residential Drug Program and that Mr. Cicotti would benefit from Court's recommendation to the Residential Drug Abuse Program (RDAP), good cause exists to grant his motion.

Moreover, in reviewing the overall record in this case, the Court finds that Mr. Cicotti is a very good candidate for RDAP as his rehabilitation was and is a consideration of the Court regarding his sentence. The Court will also be tailoring his supervise release conditions upon his release based upon the programming he completes while incarcerated. RDAP will provide Mr. Cicotti with a strong foundation for successfully transitioning back into the community.
